

# REINER 940

EVEN IF  
IT IS ROUND

Quick and weighing only 530 g: The REINER 940 is a mobile inkjet printer that marks products and packaging easily and in the blink of an eye.

The rechargeable battery permits up to 1,000 imprints per charge, wirelessly and not bound to any one location. The device stores up to four

print images that can be switched easily with a setting wheel. Marking takes place by rolling the REINER 940 over the surface and is even possible contact-free.

Clever: Since different hand movement speeds prevent perfectly even work, integrated sensors regulate ink supply for perfect machine-readable marking.

Integrated capping to seal the print head keeps ink from drying out even with longer breaks between uses.

The REINER 940 prints date, time, texts, numbers, graphics, sequential 1D codes and 2D codes, multiline imprints

- Ideal for large and curved surfaces
- Long imprint area
- Mobile or stationary marking
- Imprint also possible by pulling motion
- Suitable for left- and right-handed users

### Technical details

Dimensions (L x W x H):	47 x 147 x 221 mm
Weight:	approx. 530 g
Printing technology:	Inkjet
Max. imprint size (W x H):	140 x 12.7 mm
Max. print speed:	400 mm / s
Print resolution:	300 dpi
Battery capacity:	up to 1,000 imprints
Order number:	940 000-000   REINER 940 incl. case + ink P3-S-BK 940 000-050   REINER 940 incl. case + ink P3-MP3-BK 940 000-020   REINER 940 incl. case + ink P3-MP4-BK
